Dear Mr. Portale;

I can't thank the members of The New England Relocation Association enough for their very generous donation of \$1000.00 and many hundreds of pounds of food to our Food Share pantry. In these difficult times the pantry is hard pressed to meet the requirements of our clients, since my meeting with Jeff and the group besides feeding 581 people in October and 486 people in November, we just finished our annual Thanksgiving turkey giveaway handing out 346 turkeys and all the trimmings. Our budget is always stretched to the limit and at this time of the year as we try to do the extras for our clients we would most definitely break the bank if not for generous donations like yours. Your donation will help carry the pantry into the New Year and get us into the Easter season when we will hold our annual Radiothon.

The Thanksgiving & Christmas season is our busiest & costliest time of the year and it usually drains our account so we struggle through the New Year until Easter. This year we will be sliding into the New Year with some padding in between us and the proverbial "hard place".

Thank you, once again for thinking of Food Share during this special season, we will use your funds and all those collected to help feed the needy throughout the year. We believe the pantry offers us the chance for neighbor to help neighbor.

Sincerely,

Raymond L. Fournier
President, Food Share
